

Get \$100 Voucher when you Recycle your old Gas-Powered Mower!

Oklahoma City Spring Hazardous Waste Collection Event
April 27, 2013 on the south side of the fairgrounds, 9 am-1 pm

It's Ozone Season and DEQ's Air Quality Division will issue a hundred \$100 vouchers toward the purchase of new Black & Decker electric lawnmowers in an effort to reduce air pollution emissions in Oklahoma City this summer.

Vouchers can be redeemed at the Black & Decker Service Center, 8507 S Western Avenue and Black & Decker will give recyclers an additional 20% off msrp. Only one voucher per household. The gasoline mower you exchange must be operationally complete and drained of gasoline and oil. To recycle hazardous waste you must show a current Oklahoma City water bill as **proof of residency**.

3 Easy Steps to a New Clean Electric Lawnmower

1. Drop off your old mower at the DEQ tent
2. Pick up your \$100 voucher for a new Electric Black & Decker Lawnmower!
3. Take your voucher to:
 Black & Decker Service Center
 8507 S. Western in OKC and you'll
 receive an additional 20 % off msrp
 + \$100 voucher redemption.

For questions or additional information, contact Matt Weis,
 DEQ, at (405) 702-4216 or matt.weis@deq.ok.gov.
