

2014 Annual Conference

DISASTER DEBRIS MANAGEMENT

MARCH 24-26, 2014 Hard Rock Hotel & Casino, Catoosa, OK

Mark your calendar for March 24-26, 2014 and plan to attend the premier conference for solid waste management professionals in Oklahoma – SWANA Oklahoma Indian Nations Chapter 8th Annual Conference. Again this year, the conference will be held at the popular venue of the Hard Rock Hotel and Casino in Catoosa, OK.

This conference, created for solid waste professionals and by solid waste professionals, strives to advance the practice of environmentally and economically sound municipal solid waste management in Oklahoma. With a focus on contemporary topics and speakers, the conference is designed to educate, train, and provide opportunities for valuable networking with fellow professionals in the solid waste industry. For industry suppliers and service providers, this is a great opportunity to showcase your company's products and services.

EVENT DESCRIPTION: This year's conference will focus on the challenges of managing the debris and wastes resulting from natural disasters that seem to occur all too frequently in Oklahoma. Invited speakers will share their experiences and insights on topics including: Central Oklahoma Tornado Response, Managing C & D Wastes at Transfer Stations; Green Redevelopment; Preparing for Disaster Response; Procurement of Contracted Services for Debris Management, and much more!

WHO SHOULD ATTEND: State, tribal, county and municipal government solid waste directors, managers, policy makers and operators. Conference offerings are equally valuable to private sector solid waste managers, consulting engineers and suppliers of materials and equipment used in the management of solid waste.

EXHIBIT HALL: Tabletop exhibits and full 8' x 10' booths are available to showcase your products and/or services. Tables and booths are assigned on a first-come, first-served basis. Take advantage of this opportunity to network with Oklahoma's solid waste directors, managers, engineers, consultants and other decision makers.

SPONSORSHIP OPPORTUNITIES: By actively supporting this event, your organization will benefit by strengthening its prominence as a leader in the solid waste industry by enhancing your product awareness, by increasing your brand recognition, and by increasing your sales and marketing outreach capabilities. Become a sponsor! Note: In order to be included in conference print materials, you must register by February 15, 2014.

HOTEL INFORMATION: The conference will be held at the Hard Rock Hotel and Casino in Catoosa. A block of rooms is available at a reduced rate (\$89) for participants who wish to stay over. For reservations, contact the hotel directly at (800) 760-6700 and request block "SWANAMAR2014." Conference rates are held through March 2, 2014. Call today and reserve your room!

CONTINUING ED UNITS: Attendees can earn 15 CEUs toward their SWANA recertification or other continuing education requirements. Please stop by the registration desk for the necessary forms.

TECHNICAL (BUS) TOUR: This year's optional tour of area solid waste facilities will take place on Monday, March 24th. Only 50 seats are available, so register early – cost is \$75 and includes lunch. Planned tour stops include the Harley Hollan C&D Recycling Center, Covanta Energy's Waste-to-Energy Facility, and one of Tulsa's Green Waste Disposal sites. The tour group departs from the foyer of the hotel conference center at 9:00 AM.

SWANA CERTIFIED TRAINING: For those looking to build professional knowledge by attending a SWANA-certified training course, we've got you covered! The SWANA course "Managing Construction-Demolition (C&D) Wastes" will be offered this year as a concurrent event; look for the training room next to the main conference hall. The course will be conducted from Mon.-Wed., March 24-26, with testing on Thurs. March 27. Cost is \$725 and includes breakfast and lunch daily.

Don't Miss This Conference

See You There!
